

Procurement Advocacy

Costmap Advisory is dedicated to the promotion and development of Procurement supply chain management as a specialist science. It engages with key stakeholders in the public and private sectors to advance procurement law and policy matters.

It provides a platform for all stakeholders to debate, collaborate, develop, and advocate for consensus-based policy positions that seek to promote the Procurement function and also align interests of government and industry.

Costmap Advisory also holds seminars and webinars for frequent exchange of stakeholders to further government-industry partnership.
